

United States Air Force Academy

Taste of Home

SAVE THE DATE ~ MARCH 16, 2023

The USAFA Taste of Home is a parent-led celebration of all six great regions across the USA that our cadets call home. International locations have been incorporated into the regions so that *all* cadets, including those from outside the US, are included and represented. To ensure the cadets can experience and share a “Taste of THEIR Home”, we’ve put together an evening of exploration of all six regions, a scavenger hunt, regional food and experiences as well as games, prizes and deployed HAPS and Space Force and Air Force Installation maps – all right here at USAFA in Arnold Hall! This inaugural event will also end with a bang!

The event is sanctioned by the Air Force Academy however, the Academy will not be providing any financial support for this event. In order to bring this awesome event to the cadets and make this THE BEST parent-led event in the history of USAFA, we need support from ALL PARENTS! No effort or donation is too small! Now is the time to demonstrate **“Excellence in All We Do”!**

Here are some ways in which you can help bring USAFA Taste of Home to YOUR cadet:

- **Monetary Donations:** We welcome individual *and* corporate donations and request that the attached form accompany each monetary donation submitted. All donations received will be equally divided among the regions and used towards the overall expenses required to put on this amazing event. Any remaining funds will be donated to design and create a legacy project from the USAFA Parents.
- **In-Kind Donations:** We welcome donations of regional food, drinks, prizes and give-aways to be presented to the cadets throughout the course of the event.
- **Volunteer:** Please reach out to your regional coordinator (see contact info below) to inquire how you can help!
