

USAFA Taste of Home 2025

Dear USAFA Supporters,

BE A PART OF A GREAT EVENT!

USAFA TASTE OF HOME 2025 is a wing-wide morale evening event that highlights the culture, customs, cuisine, traditions and history of the 6 regions of our country that USAFA cadets call home. This special two evening event not only provides a welcomed celebration during the "Dark Day's" but also encourages cadets to learn more about various regions of the country where they may soon be stationed.

Our inaugural USAFA Taste of Home (TOH23) was a surprising success! Event coordinators anticipated a 25% participation rate (roughly 1000 cadets). However, that evening, as excitement spread throughout the Wing, participation boomed to over 3000 cadets. Many cadets stated they were unexpectedly overwhelmed by the joy and cultural awareness that the event brought them and asked if TOH could become an annual event. TOH23 helped them better understand the culture of their fellow cadets and thereby fostered a deeper connection with each other and throughout the USAFA Wing.

USAFA Taste of Home 2025 will again serve to strengthen the bonds of our future military leaders through the immersion into unique regional cultures, customs, and delicious cuisine. This special event will feature delicious regional food, regional trivia, games, gift basket prizes, cultural dancing, photo booths, deployed HAPS, Space Force and Air Force installations maps and much, much more! The event is sanctioned by the US Air Force Academy however the Academy cannot provide financial support for this special event. So, we need you!!!!

Please join us in supporting this special event. Your contribution will definitely bring smiles and joy to the cadets who have sacrificed so much to prepare to lead in our nation's defense. Here's how you can make a difference:
